Re: Docket 2017-2-E: Annual Review of Base Rates for Fuel Costs for South Carolina
Electric and Gas
Request for Extension of Time Under Rider to Retail Rates, "Bill Credit Agreement"
("BCA")

Dear Ms. Boyd:

On behalf of my client, Hannah Solar, LLC, ("Hannah Solar"), please accept this request for an extension of time from April 27, 2018 until and including August 25, 2018, to connect Hannah Solar's facility to South Carolina Electric & Gas ("SCE&G") system. Hannah Solar is a similarly situated entity as Solbright Energy Solutions, LLC and Charleston International Manufacturing Center and as such, Hannah Solar requests the same relief those entities were granted by the Commission in Order No. 2018-189 and 2018-39-H respectively. The solar facility is located at Haverty Furniture Companies, Inc. location at 1760 Sam Rittenburg Blvd., Charleston, SC 29407. Hannah Solar has a significant financial interest in the timely completion of the construction. Hannah Solar is very close to completing and interconnecting the facility, however, it has encountered time delays beyond its control and now realizes that it may not be able to connect the solar facility to SCE&G's system in compliance with the April 27, 2018 date established in Order No. 2017-246.

I have discussed this with SCE&G's legal counsel and SCE&G is aware of and consented to this request for an extension of time from April 27, 2018, until and including, August 25, 2018. Haverty is also aware of this request for extension and Haverty and SCE&G's legal counsel are copied hereon.

The Honorable Jocelyn Boyd

Because no other party will be prejudiced or adversely affected by Hannah Solar's request, and because Hannah Solar's request is consented to by SCE&G, I request that this matter be approved by the Commission, without formalities and without a hearing.

Please notify the undersigned if there is anything else you may need and this request is,

Respectfully Submitted,

/s/ John P. Boyd
